

P.S.E.D

We will be working in pairs and small groups to role play stories and take part in problem solving activities to promote teamwork.

We will also be learning about managing ourselves and our feelings, as well as discussing taking on challenges and the importance of resilience.

LITERACY

This term we will be reading stories including; 'Jack Frost', 'The Emperors Egg' and 'Supertato'. We will be applying our phase 2 and 3 phonic knowledge to write labels and captions linked to the stories we are reading in class.

We will continue to apply our growing phonic knowledge to read words and sentences.

UNDERSTANDING THE WORLD

We will be talking about seasonal change, as well as investigating the properties of water and ice. We will be learning about famous explorers and their adventures in Antarctica.

We will be using google Earth to compare where we live and the polar regions.

We will be finding out about Lunar New Year and learning about how people celebrate this festival.

COMMUNICATION AND LANGUAGE

We will be hot seating different characters from stories, asking and answering questions to find out more about each character.

We will be using language to imagine and recreate roles in our role play area, as well as retelling stories using story language.

OUR AMAZING WORLD

EXPRESSIVE ARTS AND DESIGN

We will be designing and building our own igloos.

We will also make our own 'Supertato' and look at Liechtenstein art, linked to superhero words.

We will be performing our own Lunar New Year dragon dance, exploring ways of moving and using instruments to make sounds.

MATHEMATICS

We will continue to compare numbers using a range of representations, understanding that one quantity can be more than, the same as or fewer than another quantity.

We will be exploring the composition of and representation of numbers between 0 and 8, developing the understanding that that all numbers are made up of smaller numbers. We will also begin to make pairs and combine 2 groups.

PHYSICAL DEVELOPMENT

We will develop our fine motor skills with our finger challenges and practise forming our letters correctly.

In PE, we will be developing our ball skills where we will be focusing on throwing and catching.

We will also be learning gymnastics, where we will be developing our skills by focusing on jumping, rolling and stretching.
