

Bramble Class News

Summer Term 2 2024

Important Diary Dates:
Friday June 28th –Year 2 Trip to The Centre for Life
Thursday 20th June 2pm –Year 2 Sports Afternoon

Dear Parents and Carers,

Welcome back to Bramble class and we hope that you enjoyed the holiday. We can't believe that we're in the last half term of the year and that the children will soon be moving up into Key Stage 2! It has been amazing to see how the children have progressed this year, both socially and academically. We are very proud of them all! As always, they have enjoyed the topics across the curriculum and they have retained what they have learned well. We were so impressed by how they performed in the Year 2 assembly. Thank you for your help with learning lines and it was lovely to see so many of you there.

This half term is a really busy one and it is a time when we will be preparing the children for moving up to Year 3. The children will be having visits to their new classes towards the end of term and we will be having transition meetings with the children's new teacher. We know that the children are very excited about going upstairs!

We are excited about our school trip to the Centre for Life. We did the same trip last year and everyone had a really great time. The children will be able to use their knowledge about the continents and the oceans and they will learn lots of new interesting facts.

PE Times and Kits:

This half term, we are doing PE on a **Tuesday** and a **Friday**. We will be working again with the Newcastle PE and Sport Service for our Tuesday PE session. The focus is athletics and we will be practising our skills of running, jumping and throwing. In addition to PE, the children have also been regularly taking part in guided dance routines on GoNoodle and running around the yard and track when weather permits it.

Library:

The children have been really enjoying using our school library. They are able to change their books when they have finished and returned their existing books. It has been great to see the variety of books they have been reading and how they have gone back to different authors to read more by them.

It has been a real pleasure teaching Bramble class this year and we will all really miss them. It will be lovely to see them next year in Key Stage 2 and we know that they will be brilliant!

Thank you for all of your help this year. You have been fantastic parents to work with and we really appreciate all of your support.
 Best wishes

Mrs Ward and the Bramble Team
