School Council Autumn Update

Havannah School Council have been busy since forming in October 2025. We have worked on some of the suggestions from the children in our suggestion box and have some great ideas about working with local businesses to support learning in school and are hoping to visit one of our partners in 2026. Here are a couple of projects we have worked on so far.

Cash for Kids The council decided to set up a collection of toys for

children who might not be as lucky as they are. We decided to use the charity Cash for Kids. We sent a Parent mail to all of our adults in the school and collected new toys for the next three weeks. By the deadline, we had

collected 8 full trolleys of toys for Cash for Kids.

Christmas Fair

We raised £87.50 from the School Council stall at the Christmas Fair.

Our project for the

Spring Term is to collect donations for the local Foodbank. We are also hoping to visit and will use the money raised to pay for our transport when we visit the Foodbank warehouse.
