7th June 2024

Dear Parents and Children,

Welcome to the final half term of our year together in Squirrel class. Where has the time gone? Thank you very much to all of you who were able to come to the Year 3 assembly—it was a special morning, and a lovely opportunity to celebrate the time the children have had in Year 3. However, as they said at the end of the assembly, we have seven more weeks this half term. Let's see what they have in store for us!

There are more opportunities for you come into school this half term, in particular the Open Afternoon in July. There are also transition events for the children to meet their new teachers in Year 4. Keep an eye on the calendar on our website for dates, times and other details.

As always, thank you very much for your on-going support, and please do not hesitate to contact me if you have any further questions or concerns during this half term. I look forward to seeing you at one of our Summer events.

Best wishes, Katharine McMeekan

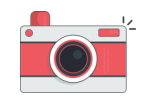

## LEARNING AT HOME

**SPELLINGS:** New lists and tests are both on Fridays.

**TIMES TABLES:** These will also to on Fridays for this half term.

**READING:** Children should read at least 3 times a week at home, and regularly change their school reading books. Please remember to sign their planner to show that they have read. All children should have their **reading book and planner in school every day.**

## Photo Gallery Highlights from last half term!

Mr Oliver Sampson-Barnes ends his time at Havannah First School on Friday 21st June. He has been great to work with and the children have enjoyed having him teach some of their lessons. We will miss him greatly when he leaves, but wish him many congratulations as he qualifies as a teacher and lots of luck as he embarks on his teaching career.
