## School Council Spring Update

In January and February, we collected food for the local foodbank in Benwell. We then visited to see what an amazing role they play in the local community and they showed us where the food we collected is distributed. They also shared with us how the Foodbank works and what it supplies to people in need in their local community.

We then had an opportunity to feedback through an assembly to KS1 and KS2 who listened and responded enthusiastically.

We have had regular School Council meetings since to share PTFA initiatives and also to discuss ideas that are posted in the School Council suggestion box! We have a lot planned for the Summer Term and we will let you know all about it in our Summer School Council update.
