

Class 7 News

Welcome to Class 7 at Havannah First School. Our new adventure in our new building begins this half term and we are so excited to get going. We are also hoping to return to some kind of normality after two years of disruption due to the pandemic. We have some girls and boys football tournaments to look forward to, class assemblies and of course, our visit to Robinwood in May.

We hope this newsletter will answer any immediate questions, but please do get in touch if you have any questions or concerns.

Many thanks, Gary Burnett and Heidi Walker

PE Our PE days continue to be on a Tuesday, when Mrs Tawn will be teaching Class 7, and Wednesday, which is our lesson with Newcastle United Foundation.

Both PE sessions will be outdoors weather conditions permitting. It can get quite chilly outside so extra layers like sweatshirt, hoodies and joggers/leggings are useful to keep in their bags.

Last half term was really successful, with everyone making super progress across the curriculum and also growing in confidence as people and as learners. The photos below show some of the activities that we did. Please follow us on Twitter to see more photos like these. We are @Class7HFS.

Just a little reminder that the children can change their reading books on any day of the week, at the beginning or the end of the day.

They can do this independently and just need to check with the class teacher on the day

Sadly, we have bid a farewell to not only Broadway East First School but also to the wonderful Mrs Wingate. We are in the process of replacing Mrs Wingate as teaching support but we are delighted to welcome Mrs Tawn back to school to cover Mrs Wingate's teaching commitments. Mrs Tawn is a fantastic teacher and we are looking forward to work with her in Class 7.
