

Lapwing Class News

Dear parents and carers,

I hope you all had a lovely half term!

We have passed the half way mark in Year 4 which I cannot believe—time flies when you're having fun! We have lots of exciting things planned for this next half term and we can't wait to get started!

I hope this newsletter answers any immediate questions you may have but please don't hesitate to get in touch if you have any questions.

Many thanks,
Niamh Armstrong

Reading

A reminder that children can change their books on any day. Please ensure that your child has their planner in school every day as well. We read with the children frequently at school and it would be very much appreciated if you could encourage your child to read as often as possible at home, too. Thank you for your continued support.

Times Table Rockstars

The progress that we are making with our times tables knowledge is astounding and I am so proud of everybody for working so hard to learn this vital skill! Reach for the stars!!! Keep practising on TTRS and see if you can beat your previous score. Keep up the good work.

Safety works

Our safety works trip is fast approaching and I would like to say thank you to our parent helpers for your support with this!

Twitter / X

We post lots of our fantastic achievements and activities on X, previously known as Twitter, our handle is @LapwingsHFS - Please follow us!

Multiplication Tables Check

All Year 4 children across the country will participate in the Multiplication Tables Check in June 2025. Further information will be provided closer to the time but in the meantime it is crucial that children know their multiplication tables and are able to recall these facts quickly and fluently. We are working on them in school but any further work at home will be much appreciated. Children can also access Times Tables Rockstars and a practice MTC check at: <https://mathsframe.co.uk/en/resources/resource/477/MultiplicationTablesCheck>
