

# Year 3 Class Newsletter

**November 2024**

Dear Parents and Children,

Welcome to second part of the Autumn term. After a great start to the year, we are really looking forward to everyone in Year 3 continuing the progress that they have already made.

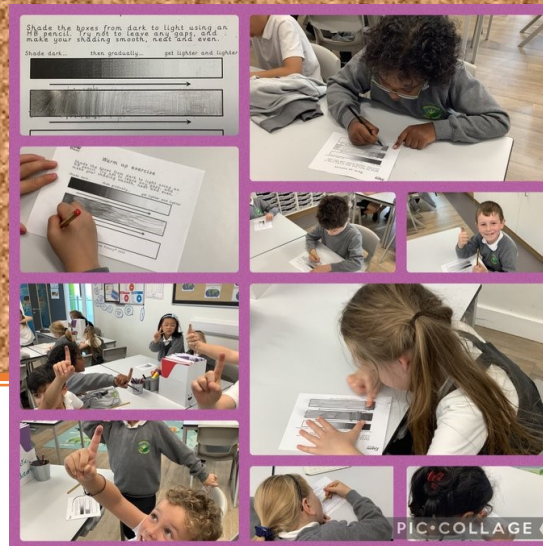

There is a lot to look forward to this half term, with new units of learning across the curriculum including a brand new History unit. We will be investigating the periods from the Stone Age to the Iron Age in History and looking at how we know about this time and the changes that took place then. We are really looking forward to this! There are events to celebrate Christmas in school at the end of term, but before then there will be much to enjoy, including lots of reading and of course investigations in Science too. It's great to see some of our class taking on leadership roles in school, for example being part of the School Council and being Eco Reps to lead our school as we aim to look after the planet more carefully.

We hope you enjoy seeing the photographs from last half term that show many of our brilliant Year 3 moments.

Best wishes,

Claire Henderson and Katharine McMeekan

Our PE lessons will continue to be on Monday and Wednesday for Deer Class and Monday and Thursday for Squirrel Class. The children should bring their PE kits to school on these days and get changed before the lessons. Some of our lessons will be outdoors, weather conditions permitting. It can get quite chilly outside so extra layers like sweatshirt, hoodies and joggers/leggings are useful to keep in their PE bags. PE bags should be kept in school to accommodate any timetable changes.

## Weekly tasks

- New spellings are given out on Friday and tested the following Friday.
- Homework is given out on Friday and is due in the following Tuesday.
- Times tables can be practised regularly on Times Table Rockstars. Login details are in the children's planners.
- The children read individually on a regular basis and it is also important that they read on a daily basis at home. Please continue to record this in planners.

THANK YOU!

Thank you for your continued support, it was wonderful to speak to so many of you at parents' evening.

**Twitter / X** We post lots of our fantastic activities and achievements on X, previously Twitter. Please follow us if you can. We are [@DeerClassHFS](https://twitter.com/DeerClassHFS) and [@SquirrelsHFS](https://twitter.com/SquirrelsHFS).
