

# Class 2 News

We have a beautiful new library here at Havannah First School and would love the children to begin to access this regularly and as soon as possible! If you are able to spare an hour in an afternoon and would be interested in supporting Class 2 to access the library please let Mrs Jones know!

Dear Parents and Carers,

We are so happy to welcome you back to Class 2 at Havannah First School! We hope that you all enjoyed your Easter holiday and are as excited as we are to start our new term at our wonderful new school. We are looking forward to a fantastic term with some new topics and being able to make use of our superb new learning environment.

The children are making a fantastic start this week. We are supporting the children with any new routines and have already enjoyed assemblies and lunchtimes in our new hall and the children are embracing all the extra space at playtime—particularly enjoying the new trim trail and MUGA.

## PE

Our PE days will stay the same as last half term, so they are Wednesday and Friday. As always, children should leave their PE kits in school. Please make sure that everything is clearly named, including PE bags. Thank you.

## Phonics Information

The Phonics screening check takes place in June for all Year One children. We have sent information home this week to help you to support your children at home and a homework task. Please see Mrs Jones if you have any questions or queries!

## Bags

We have a small cloakroom space so please try to only send in what the children need each day. Reading books and reading records should come into every day and a water bottle.

Please remember that we are happy to talk to you at home time or to give you call back if there is something you need to discuss.

Best wishes from Mrs Jones, Mrs Rawling and Mrs Sutton
