

ENGLISH

Fiction

In English, we will read a range of Traditional Tales, predicting what might happen, identifying the structure of the stories and looking for patterns in the texts – ie. repeated phrases and refrains.

We will practice applying our phonic knowledge to write labels, lists and captions.

We will write captions to retell a familiar tale, sequencing our sentences to form a short story.

Non-Fiction

We will start to look at simple information texts and make our own fact file; using our knowledge from Science and Geography lessons to help us!

SCIENCE

In Science lessons, we will investigate 'Which plants might Little Red Riding Hood see on her way to Granny's house?' We will:

- Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees
- Observe closely & compare and contrast familiar plants; describing how they were able to identify and group them.

Year 1 – Autumn 1

GEOGRAPHY

In Geography lessons, we will:

- use simple fieldwork and observational skills to study the geography of my school and its grounds.
- record the daily weather in our area.
- Start to identify seasonal and daily weather patterns in the United Kingdom.

MATHS

This half term we have a number focus in Maths. Children will learn to:

- Sort, count and represent objects
- Read and write numbers 0-10 correctly and in words.
- Count one more/ one less
- Count with 1:1 correspondence
- Compare groups, using the language of equal, more, greater, less, fewer
- Compare numbers
- Order groups of objects
- Order numbers
- Use ordinal numbers
- Use a number line

P.E.

We will explore and develop our fundamental movements with Lewis from the Newcastle United Foundation.

We will learn and develop our cycling skills during our new balance bikes sessions.

RE

In RE lessons, we will explore the theme of belonging. Thinking about the families, school and clubs we belong to. We will also explore baptism in Christianity.

PSHE

Our topic this half term is, 'Being Me, In My World.' Each week we will spend time getting to know ourselves and each other even better.

COMPUTING

This half term we will focus on e-safety in our computing lessons. We will learn through stories and activities about why it is important to be safe online and how to be a safe digital citizen.

ART

In Art lessons, we will explore line drawing, experimenting with a range of mark making tools and techniques.
