

P.S.E.D

This half term our topic is 'Self Regulation: Listening and following instructions.' This includes learning the importance of listening carefully by playing recall games, as well as using 'pass the whisper' games to understand about telling the truth and thinking of others feelings.

LITERACY

We will be acting out the story 'We're going on an egg hunt', as well as labelling a story map.
We will also read non-fiction texts about how to look after your pet.
We will be applying our phase 2 and 3 phonic knowledge to write labels and captions linked to the stories we are reading in class.
We will continue to apply our growing phonic knowledge to read words and sentences.

UNDERSTANDING THE WORLD

We will be learning about how different people help us in our community as well using Google Earth to compare the difference between the town where we live and life in other countries.
We will be talking about signs of new life on a farm during spring time.
We will be learning about Easter and how this festival is celebrated.

COMMUNICATION AND LANGUAGE

We will be continuing to use 'Talk for Writing' to re-tell stories, as well as listen to and engage in talk about non-fiction texts. We will be discussing the similarities and differences between things in the past and now by articulating our thoughts and ideas into well formed sentences.

REAL LIFE HEROES AMAZING ANIMALS

EXPRESSIVE ARTS AND DESIGN

We will be using junk-modelling materials to make different styles of houses from other parts of the world.
We will be listening and responding to different types of music.
We will be using natural objects to create our own art work, linked to the artist 'Andy Goldsworthy'.
We will be printing patterns during our Easter craft activities.

MATHEMATICS

We will be exploring the composition of and representation of numbers 9 and 10, developing the understanding that that all numbers are made up of smaller numbers.
We will be comparing numbers within 10 using key vocabulary more than and fewer than. We will also be exploring number bonds to 10 using real objects in different contexts.
We will be exploring and manipulating 3D shapes, exploring more complex patterns and looking at length and height.

PHYSICAL DEVELOPMENT

We will develop our fine motor skills with our finger challenges and practice forming our letters correctly.
In PE, we will be developing our negotiating space skills within our fundamental movement unit. We will also be developing our dance skills this half term.
We will be moving to music in an open space, copying and repeating actions as well as joining movements together.
